**U.S. Credit, Inc. (USC)** was established in 2003 as a captive finance company for a shed manufacturer. USC grew quickly and became a successful standalone finance company servicing the portable shed industry for all manufacturers.

We are a specialized financing company primarily serving the portable shed, steel building and home improvement industries. Our products include both Sales Finance Contracts and Rent-To-Own leases. We are continuing to look for new opportunities and invite you to contact us.

### Guidelines

The underwriting guidelines will be based on FICO score only. No other guidelines will be underwritten. This includes the following:

- No income requirements
- No property ownership requirements
